

Gilbert Water Festival

Crossroads Park

The 4th Annual Gilbert Water Festival instills a deeper understanding of water in the earth system and Arizona's water resources through teacher professional development, hands-on learning activities for students, and business community involvement to show children career paths and opportunities within Science, Technology, Engineering, and Math (STEM) fields.

In collaboration with the University of Arizona Project WET and Gilbert Public Schools, Gilbert Water Conservation implements this educational field day for Gilbert Public Schools 4th graders.
